

YOU CAN HELP

Dear friends,

We hear many stories about the impact of the ministry of **Walk Thru the Bible**—broken people who learn that God loves them; hurting people who receive comfort from the Word of God; people who have never heard God's Word before; people who have found from Scripture what they've always longed for, and more. In the midst of all of the millions of men and women, boys and girls that we reach and minister to, we remember one thing:

The Bible changes everything.

There's a world of opportunity to share the hope and truth of God's Word with the **biblically unengaged**, the **persecuted church**, **under-resourced pastors**, and **children**. Your gift to Walk Thru the Bible:

- will give the hope and truth of God's Word to people everywhere.
- will continue to ignite passion for God's Word around the world.
- will help us change lives, change families, change communities—to *change their stories*.

Together with you, we can change the world and make eternal Kingdom impact. Will you partner with us today to help people everywhere live God's Word?

Scan code to make a donation online, set up a recurring gift, or find out how to leave a Legacy gift in your Will or Trust.

thank you

WALK THRU THE BIBLE PODCASTS

To listen to a podcast, you'll need a podcast app (like Apple Podcasts, Google Podcasts, or Spotify). Then, search for the podcast you want to listen to, subscribe to it, and choose an episode to play, either by streaming it or downloading it.

1. Choose a Podcast App:

Apple Podcasts: Pre-installed on iPhones and iPads, and available for download on Android.

Google Podcasts: Primarily for Android, but also available on iOS.

Spotify: A popular music streaming app that also includes podcasts.

Other Options: Many other apps like Stitcher, Overcast, Pocket Casts, and Castos offer various features.

2. Search and Subscribe:

Search: Use the search function within your chosen app to find the podcast by name or topic.

Subscribe: Click the "+" or "Subscribe" button to follow the podcast and receive updates about new episodes.

3. Choose Your Listening Method:

Stream: Listen to the episode directly from the internet without downloading it.

Download: Save the episode to your device for offline listening.

4. Start Listening:

Tap on the episode you want to listen to and start playback. Use the app's controls to pause, rewind, fast-forward, or adjust the volume.

RESOURCES

Accessing Digital Resources

An easy-to-follow article is on our website titled "Accessing Digital Resources." To be taken directly to that page, scan this code with your phone's camera.

Make sure to download the **Walk Thru the Bible mobile app** for more resources and free content. You can find our app in your app store. Look for the WTB app logo as pictured here, or scan this code for more info.

WALK THRU THE BIBLE VIDEOS

Free Videos on YouTube

Our channel gives you lots of options for finding specific topics, podcasts, or playlists. Find the title you want to watch and start playing it.

How to Find Walk Thru on YouTube:

From YouTube's homepage, type "Walk Thru the Bible USA" in the search bar at the top of the page.

Click on our channel, labeled with "Walky Guy" in a blue circle.

TIP: If you click on "Subscribe," our channel will be added to your YouTube menu as a subscription, which gives you a quick way to get to our content every time you visit YouTube.
